<u>Unicameral Bill / Constitutional Amendment</u>	<u>Status</u>
<p><b>LB28 – Adopt the Radon Resistant New Construction Act</b>            LB28 mandates that the DHHS create rules and regulations to regulate radon resistant residential new construction. [Editor’s Note: Creates a licensed “Radon Mitigation Specialist” as well as a “Radon Resistant New Construction Task Force” – Our CIH brethren should take note to ensure their designation is protected – there is no mention of a CIH in this bill. AM1741 brings in the Urban Affairs Committee as part of this – why??? Idk. HHS is still the main department handling this. Amendments have pushed the date back on the implementation of this. <p><b>LB31 – Eliminate motorcycle and moped helmet requirements</b> Currently, all motorcycle or moped operators are required to wear protective helmets on public highways. LB31 would repeal the motorcycle helmet requirement and provides operators with the choice. Committee decided on the following: Currently the section requires that no person shall operate or be a passenger upon a motorcycle of moped unless such person is wearing an approved protective helmet. The section is amended to provide that any person at least 21 years of age or older shall be exempt from the requirement to wear a protective helmet. Additionally, the amendment provides that any person operating a motorcycle or moped shall wear eye protection. "Eye protection" is defined by the committee amendment as glasses that cover the orbital region of the face, a protective face shield attached to a helmet, goggles, or a windshield attached to the motorcycle or moped.</p>	<p>Dec 21 Title printed, Carryover bill            Mar 23 Bloomfield MO56 failed            Mar 23 Bloomfield MO56 Invoke cloture filed            Mar 23 Hilkemann AM942 pending            Mar 23 Hilkemann AM942 pending            Mar 23 Hilkemann AM939 withdrawn            Mar 20 Hilkemann AM942 filed            Mar 20 Schumacher AM973 filed            Mar 20 Gloor AM954 filed            Mar 20 Chambers MO55 withdrawn            Mar 20 Chambers MO55 Bracket until June 5 filed            Mar 20 Hilkemann AM939 pending            Mar 20 Hilkemann AM939 filed            Mar 20 Baker AM870 lost            Mar 20 Baker AM870 pending            Mar 20 Baker AM870 filed            Mar 20 Trans and Tele AM359 pending            Mar 19 Hilkemann MO53 failed            Mar 19 Hilkemann MO53 Bracket until June 5 filed            Mar 19 Transportation and Tele AM359 pending            Mar 09 Transportation and Tele AM359 filed            Mar 09 Placed on General File with AM359            Feb 24 Bloomfield priority bill            Jan 29 Notice of hearing for February 09            Jan 28 Schilz name added            Jan 28 Murante name added            Jan 28 Larson name added            Jan 28 Coash name added            Jan 27 Hughes name added            Jan 26 Schumacher name added            Jan 26 Morfeld name added            Jan 26 McCoy name added            Jan 26 Krist name added            Jan 26 Davis name added            Jan 26 Schnoor name added            Jan 26 Kintner name added            Jan 26 Groene name added            Jan 26 Ebke name added            Jan 12 Referred to Trans and Tele Committee            Jan 08 Date of introduction</p>

<p><b>LB133 - Change interest rate provisions on certain Nebraska Workers' Compensation Court awards.</b> Bill would revise the interest rate applicable to an award of workers' compensation benefits in cases in which an attorney's fee is allowed from the rate provided in section 45-104.01 (14%) to the rate provided in section 45-103 (judgment interest rate). The judgment interest rate is two percentage points above the bond investment yield of the 26 week U.S. Treasury bill in effect at the time of the judgment. The State Court Administrator is required to distribute notice of such rate and any changes to it to all Nebraska judges to be in effect two weeks after the date the auction price is published by the Secretary of the Treasury of the United States. Effective January 16, 2015, the judgment interest rate is 2.132%.</p>	<p><b>Mar 09 Indefinitely postponed</b>                  Dec 21 Title printed, Carryover bill                  Feb 02 Notice of hearing for February 23, 2015                  Jan 12 Referred to Business and Labor Committee                  Jan 09 Date of introduction</p>
<p><b>LB134 - Change provisions relating to first injury reports under the Nebraska Workers' Compensation Act.</b> LB 134 would make first injury reports relating to workplace injuries confidential, unless the employee waives confidentiality to allow the report to be made available for public inspection, except as necessary for the Compensation Court to administer and enforce other provisions of the Nebraska Workers' Compensation Act. (Editor's Note: This is introduced nearly every year. <p><b>LB270 - Create and eliminate funds administered by the Department of Labor.</b></p>	<p><i>Approved by the Governor on February 24, 2016</i></p>
<p><b>LB276 - Exempt certified independent contractors from the Nebraska Workers' Compensation Act.</b> The purpose of Legislative Bill 276 is to establish a process for an individual to apply to the Department of Labor in order to be a certified independent contractor. If an individual becomes a certified independent contractor they would be exempt from all requirements to be covered under a policy of workers' compensation insurance pursuant to the Nebraska Workers' Compensation Act and would be precluded from obtaining any benefits under the act. The costs of the program would be covered by the fees charged to the individuals. LB276 also establishes that an individual would be guilty of a Class II misdemeanor if they provide false information during the application process. <a href="#">[Editor's note: This will be interesting.
