***The American Society of Safety Professionals
presents
COVID-19
ITS TRANSMISSION AND FACE MASK EFFICACY
The Definitive Employer Guide to Purchasing Face Masks
PLUS
Published international standards on the Minimum Requirements,
methods of Testing, and Use of Community Face Coverings***

Our presenter will speak about his exhaustive research/study: COVID-19: ITS TRANSMISSION AND FACE MASK EFFICACY; The Definitive Employer Guide to Purchasing Face Masks for Your Valuable Employees ([View white paper](#)). This includes discussions on false, inaccurate, and misleading face covering Information and a checklist for evaluating one facial covering against another. In addition, he will discuss the multitude of specifications and standards enacted by some 120 countries – including the new ASTM effort to introduce an international standard and its ramifications for US employers.

Presenter:

Richard L. Nicholas is a seasoned industry veteran having four decades of C-suite experience in the self-funded, managed care and outsourcing sectors. Richard Nicholas has owned and held executive positions with national TPAs, BPOs and MCOs; represented more than 200 TPAs before the US Congress and been trusted (with his long-time partner, Nick Cole) to facilitate more TPA mergers and acquisitions than anyone. He recently founded the TPA NETWORK *Research Consortium*, a new industrywide research initiative aimed at helping healthplan sponsors evaluate new medical technologies and health innovations by conducting payor-focused translational research and facilitating more, smarter and less costly clinical studies. An innovator, author and newly minted social entrepreneur, Richard holds a BA with distinction from Boston College and an MBA from Duke University's Fuqua Graduate School of Business. To learn more about this initiative, see www.ResearchConsortium.org.
